

# UNLEASHING HOPE... DISRUPTING POVERTY

## PARTNERSHIP

2023 ENGAGEMENT OPPORTUNITIES

Every day, we seek to reach, rescue, and restore those isolated by poverty in OKC by filling basic needs, connecting to resources, kids/youth programs, transitional living for men and more by making dreams come true.

# JOIN US

**S**ince our beginning in 2013, OKC Dream Center has evolved, and we are continuing to grow. We have seen a tremendous amount of success through our programs, becoming known as a leading resource program in our community and southwest Oklahoma City.

Our years of filling needs and connecting to resources have established our niche as a unique type of community center and resource provider. As we look toward our 20-year vision with a goal to increase the impact of our programs, OKC Dream Center is focusing on three distinct areas - identity, growth, and impact.

We are excited to share that we are growing and expanding into our 70,000+ sq. ft. campus, our southwest OKC headquarters with remodeled, updated, and new facilities. The campus will provide the opportunity to increase outreach and programming, especially the team's ability to facilitate consistent community resource efforts. We are creating innovative program replication models that will allow us to expand our reach to new communities in OKC and even around Oklahoma state-wide.

For over 9 years, we have achieved our mission by building relationships with people through five primary strategies. We meet basic needs through our monthly food and weekly emergency food distributions, weekly clothing closet distributions, and seasonal drives (coats, Christmas toys, school supplies, food) and block parties. Through our prevention programs for kids and youth (after-school, summer, and athletic programs), we partner with children and families to cultivate positive relationships, reduce harm, and focus on the future. With our Community Resource Center, we provide a computer lab for volunteers assist clients applying for employment, housing subsidies, scholarships, and other resources. Our Dream Center Living program responds to the need of a healthy transitional living environment for those coming out of prison, rehab, or homelessness and connecting them to resources to help them make successful transitions back into society. Lastly, through our intentional collaborative partnerships, we are able to connect clients in need to organizations and businesses with resources.

OKC Dream Center recognizes that none of this would be possible without the support of our dedicated partners. We acknowledge, with gratitude, the rich relationships with many who have united with us year after year, serving on the forefront with us of this incredible journey. Join us in pledging valuable resources to continue to unleash hope, disrupt poverty, and make dreams come true. Together, we will be a voice for those seeking to dream again.

Sincerely,

Chase Parsons, Executive Director/Co-Founder
